

Canadian Science and Engineering Hall of Fame

Nomination Form

The Canadian Science and Engineering Hall of Fame honours individuals whose outstanding scientific or technological achievements have had long-term implications for Canadians, and promotes role models who may help attract young Canadians to careers in science, engineering and technology. Nominees should meet the following prioritized criteria:

1. They must have contributed in an exceptional way to the advancement of science and engineering in Canada.
2. Their work must have brought significant benefits to their own communities, and to society at large.
3. They must possess leadership qualities which could inspire Canadians to pursue careers in science, engineering or technology.

Name of Nominee *family name* _____ *given name(s)* _____

Current Address: _____

Place and Date of Birth: _____

If Nominee is deceased, place and date of death: _____
